

WE ARE LOOKING FOR A SALES ENGINEER

Join our team

WHO WE ARE

We are transforming the capabilities of the Caribbean's public safety community. <http://bit.ly/aboutneptune>

WE ARE LOOKING FOR

A dynamic Sales Engineer who will be responsible for ensuring Neptune's networks are **#AlwaysOn**.

WHO YOU ARE

- You are a gregarious, engaging and proactively minded professional.
- You often think “*what do I need to do next?*”.
- You are a great communicator with excellent verbal and written skills.
- You are a team player and your teammates enjoy working with you.
- You are self-motivated, prone to take the initiative and you're a problem solver.
- You have an enterprising and positive attitude.
- You have a strong moral and ethical code.
- You are diligent, willing to work outside of normal working hours, including holidays and emergencies as required.

WHAT YOU WILL DO

- Support all aspects of project planning, implementation, demonstration and testing of networks.
- Engage extensively with colleagues, customers and partners to drive successful projects.
- Setup and tune network systems.
- Research, evaluate and analyse relevant industry trends.
- Prepare and maintain network system documentation.
- Assist with the preparation of business cases, bid specifications and requests for proposals.

WHAT WE NEED YOU TO HAVE

- A university degree (BSc) in Electrical Engineering (Electronics & Telecommunications), Computer Engineering, Computer Science or equivalent.
- A strong understanding of all Microsoft Office applications,
- Mobile and VAS Telco background with RF knowledge strongly desired.
- You must have a valid driver's license, maintain a safe driving record and be medically fit to drive.
- We need you to be comfortable with travelling regionally.

BONUS

- Experience in the telecommunications field.
- Masters degree in a technical field.
- Project management experience.
- Ability to create system architecture diagrams.
- IP routing knowledge (CCNA, CCNP, CCDA).
